Publications

Disability - Existence, Resistance, Persistence

Journal of Strange Studies
August 2024

Here I discuss the influence that utilitarianism has on the discussion of disability rights and identity, and advocate for a politics not based on pleasure or suffering, but rather one in existence and transforming new futures.

Postmodernism Is Not Brainwashing You

Journal of Strange Studies
August 2024

In this informal essay I criticize the proliferation of the idea that postmodernism is brainwashing its audience with difficult-to-understand language and an aura of mystique. Instead of defending postmodernism, I demonstrate that the critics complaints are based on completely ahistorical readings of the texts and have little interest in presenting an honest narrative.
